

EC-Declaration of Conformity

in accordance with the EEC low-voltage directive 2006/95/EG in accordance with appendix III B; of 12. Dec. 2006

Hereby we explain that those corresponds to below designated products in its conception and design as well as in circulation the execution the fundamental safety and health requirements of the Community directive low-voltage brought by us. In the case of a change of the product not coordinated with us this explanation loses its validity.

Manufacturers name or of his representative:

Deyle GmbH
Tulpenstraße 50
71394 Kernen
Tel.: +49(0)715141046

Description of the electrical equipment:

- Frame warmer Passat
Typ 13/15/22/25/32
- Frame warmer for glasses
- Rated current/voltage: 16A/230V

Reference to the harmonized standards:

EN 61000-6-3:2011-09	Generic standards - Emission standard for residential, commercial and light-industrial environments
EN 61000-3-3:2014-03	Electromagnetic compatibility (EMC) - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems
EN 61000-6-1:2007-10	EMC - Part 6-1: Generic standards - Immunity for residential, commercial and light-industrial environments
EN 61010-1:2011-07	Safety requirements for electrical equipment for measurement, control and laboratory use - General requirements

Year of the CE characteristic assignment: 2016

Place/date: Kernen, 07.03.2016

Personal data of the signer: Dr. Horst Mehl, managing director
